

REMARKS

In the Office Action, the Examiner noted that Claims 13, 15, 16 and 18-24 are pending. Applicant assumes that the statement including Claims 25-34 as currently pending was an inconsequential typographical error. Claims 13, 15, 16 and 18 are rejected. Claims 19 – 24 are allowed. It is noted that Claims 1 – 12 and 17 were previously withdrawn and that Claim 14 was previously cancelled. By this response, previously withdrawn claims 1 – 12 and 17 are cancelled without prejudice.

REJECTIONS UNDER 35 U.S.C. §103

Claims 13, 15, 16 and 18 are rejected under 35 U.S.C. §103(a) as being unpatentable over U.S. Patent 6,711,059 to Sinclair et al in view of U.S. Patent 6,711,675 to Spiegel et al. Applicants respectfully request entry of cancellation of Claims 13, 15, 16 and 18. With this cancellation, the rejection of these claims is now moot and Applicant respectfully requests withdrawal of the rejections.

ALLOWABLE SUBJECT MATTER

Claims 19 – 24 are allowed over Prior Art of record. Applicant thanks the Examiner for recognition of the allowable subject matter of Claims 19 – 24.

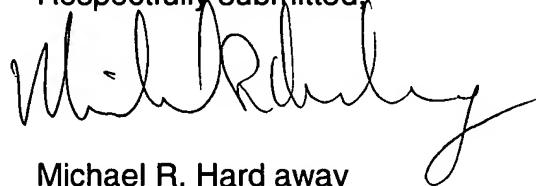

CONCLUSION

Claims 1 – 13 and 15 – 18 are cancelled herein. Applicant respectfully submits that all the remaining claims are in condition for allowance. Accordingly, swift passage to issue of the present Application is earnestly solicited.

If, however, the Examiner believes that there are any unresolved issues requiring any adverse final action in any of the claims now pending in the application, it is requested that the Examiner telephone Michael R. Hardaway at (408) 879-6149 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

All claims should be now be in condition for allowance and a Notice of Allowance is respectfully requested.

Respectfully submitted,

Michael R. Hardaway
Attorney for Applicants
